In October Options opened its new outpatient treatment clinic at 1470 Civic Court, Suite 100, in Concord. The clinic is open Monday through Friday, 8 am through 4:30 pm, and provides evening group sessions as needed. Services include outpatient treatment for both men and women, intensive outpatient treatment, and recovery support services. Focus is on skill building, identifying denial patterns, anger management, self-discovery, building healthy relationships, relapse prevention, and preparation for re-entry into the community. Services are available for all Contra Costa adults with Substance Use Disorder, regardless of ability to pay. This is Options’ first treatment program in Contra Costa County, and a new treatment clinic is being planned for Richmond in the coming months.
Letter from the Executive Director

Seasons Greetings,

I would like to sincerely recognize and appreciate Options Recovery Services staff, donors, stakeholders and many members of the community who continue to support our mission of continuing to help countless families and individuals redefine their relationship with addiction and create exciting, new clean and sober lives.

2022 has been an exciting year for Options, despite the ongoing challenges Covid-19 continues to wield. We extended our reach in to Contra Costa County and opened a new substance use disorder treatment program in Concord and are looking forward to opening another in Richmond in 2023; we successfully expanded our training and certification in California’s prison system as part of the Offender Mentor Certification program and enhanced our service delivery system in Alameda County!

I hope every person part of the Options family has a very happy holiday season, filled with joy, gratitude and good health. Best wishes in 2023 and I look forward to another year of Options continuing to help those who need us the most.

Voices of Recovery: September 2022

At Options, we celebrate recovery. Every day, every month and every year is a milestone. These recent graduates continue to be examples that the cycle of addiction can be broken.

“Before Options I was in a pretty bad place. Mentally unfit, heavy addiction, homelessness, and a lifestyle involving crime. Since I’ve been in Options it’s been a long road, it wasn’t always easy, it’s not very comfortable challenging myself. There was always this high demand; everything revolved around my addiction, and I knew I had to make some changes.”
- Roman M.

“God has given me a better vision of who I was than who I was from before, and Options is just going to make me want to work even more and just keep moving forward.”
- Danielle B.

“All the hard work that I’ve done is a reflection of the staff at Options.”
- Ryan B.

“I’d like to thank Options. I’d like to thank John, Steward, George, Robert, and Sam, my counselors. You guys could get me to be twelve months sober, you guys did a great job, because I haven’t been a year sober in 26 years.”
- Tony H.

“If I hadn’t quit drinking and using drugs and smoking cigarettes I really don’t know if I’d be here.”
- Sharon T.

“I want to express my gratitude to the Options program. When I think about who I was a year ago when I first came here I really didn’t think I was going to be able to be successful, it just seemed like such a giant mountain to climb. I luckily have had five different counselors here at Options, and each one of them taught me something in a slightly different way.”
- Peter B.
In September 2022, Options will celebrate 25 years of providing services to help break the cycle of addiction that causes crime, homelessness and broken families. Thousands of adults and their families have found hope at Options, and have been supported in their quest for sobriety. Between now and September 2022, Options will be reaching out to the community for your support and involvement. We are now seeking volunteers for our planning and work committees, and are beginning our housing improvement campaign. Our goal is to refresh and refurbish all nine of our Options recovery houses by September 2022 and celebrate our achievement at our 25th Anniversary Gala.

We plan to put out a Newsletter every three months to provide updates on our progress and stories about the remarkable achievements of our clients. We plan to publish the Newsletter on our website, and send out both printed and electronic versions. Any help you might provide in covering these costs is greatly appreciated.

Whether you donate furniture, cash, or your time, we invite you to get involved. Your support is what makes Options so special, and what enables us to change lives. We are all so grateful.
